

WATER PLAY OUTLINE & LESSON

www.therunningmama.com © 2018

Introduce ¹
Water
Absorption
through
Sponge
Activity

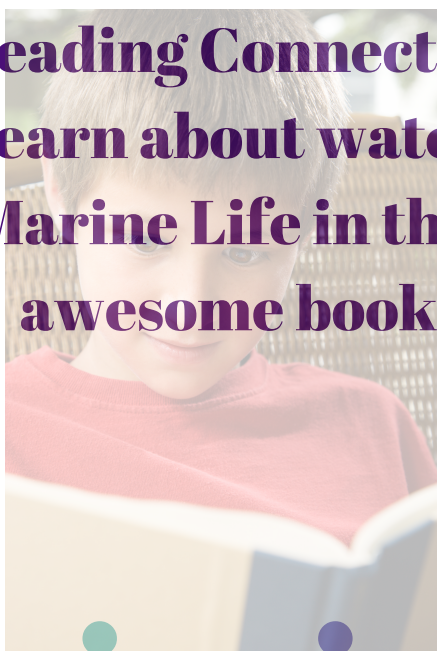

Water Bead Activity ²
(includes miniature marine
life figures)

Reinforces the concept of absorption! Explore marine life as well.

Reading Connection: ³
Learn about water &
Marine Life in these
awesome books!

Additional Activity: ⁴
Visit Your
Local Aquarium!

WHAT I LEARNED, **LOVED** AND WHAT I
STILL WANT TO KNOW!

www.therunningmama.com © 2018

Let's be scientists! Think about the sponge or water beads experiment ~ Draw or write something you learned today!

What is something you **loved** about these experiments or one of the books you read? (or both!) Write about it!

What did you learn in one of the books we read? You can draw it or write it!

What other learning adventures can we have?
